

## ROUTE: LUCERNE - INTERLAKEN - ZWEISIMMEN - MONTREUX

Golden Pass Line, the world's first panoramic train was put into service between Montreux and Zweisimmen. These ultra-modern trains are able to give the traveller the unique sensation of being totally at one with the grandeur of the unfolding landscape.

Leaving Montreux, the Golden Pass Line rises above Lake Geneva allowing a full view of the magnificent landscape of the Lake Region as it spreads out. At Jaman, it plunges through a tunnel into the mountains, changing valleys and heading for the world famous resorts of Chateaux d'Oex and Gstaad. The line attains its culminating point (1,274m) before reaching Zweisimmen, from where the traveller can continue the trip in the Golden Pass Line Panoramic train towards Interlaken and Lucerne.

**Reservations can be made up to 90 days in advance of travel date.**
